Committee Updates

Social Chair: Class Dinner – Tierra Johnson for Junnell Sample:

The social committee is still looking for a band and caterer for the class dinner. Kamala Payne suggested a band that she knows, The Ruckus who would be interested in playing as an affordable option.

Dinner options

- Dining Services is an option. Tracey Hiner is the contact at MBC. Tina will send Tracey's information to Junnell and Tierra
- New BBQ place in Staunton "Willies" – Tina Kincaid will check options

Events Chair: Hospitality Suite – Megan Chambers

The following options were suggested for the hospitality suite:

- Mary Julia Baldwin Room
- Upper Back Gallery
- Rose Terrace

The Reunion committee decided on Rose Terrace due to its centralized location and easy access. Tina will book the facility

Megan is working with area wineries and a beauty supply company for ideas for the hospitality suite. The theme of Denim and Diamonds was suggested.

Gift Chair and Planned Gift Chair – Vicky TenBroeck and LaToya Guest

- The leadership needs to donate money to the college!!
- By donating, it helps the college get public grants when alums show their support
- The class only has \$1,400.00 to go and we will be over our goal

Other Announcements

- Class Website – Kathleen Shea and Maria Kwon were delegated as the class Presidents to check with Tina and update the website consistently. The website will include the class meeting minutes and should be linked to the class Facebook page
- It is vital that the communication folks (Noha Koury and Ashley Kizler) begin communicating with our classmates independently of the publications that go out from the Alumnae Office. The group needs to communicate via phone calls, emails etc.
- Survey Monkey will be used to poll our classmated
