GENERAL PROVISIONS

INCONTESTABILITY

Any statements made by you, or on your behalf to persuade us to provide coverage, will be deemed a representation, not a warranty. This provision limits our use of these statements in contesting the amount of insurance for which you are covered. The following rules apply to each statement:

- (1) No statement will be used in a contest unless:
 - (a) it is in a written form signed by you, or on your behalf; and
 - (b) a copy of such written instrument is or has been furnished to you, your beneficiary or legal representative.
- (2) If the statement relates to your insurability, it will not be used to contest the validity of insurance which has been in force, before the contest, for at least two (2) years during your lifetime.

ASSIGNMENT

Ownership of any benefit provided under the Policy may be transferred by assignment. An irrevocable beneficiary must give written consent to assign this insurance. Written request for assignment must be made in duplicate at our Administrative Offices. Once recorded by us, an assignment will take effect on the date it was signed. We are not liable for any action we take before the assignment is recorded.

EFFECTIVE DATE AND TERMINATION

EFFECTIVE DATE OF INSURANCE: If the Policyholder pays the entire premium, your insurance will go into effect on the date stated on the Schedule of Benefits. If you pay a part of the premium, you must apply in writing for the insurance to go into effect. You will become insured on the date stated on the Schedule of Benefits, except that the insurance will go into effect:

- (1) on the first of the month coinciding with or next following the date he/she applies, if he/she applies within thirty-one (31) days of the date he/she is first eligible; or
- (2) on the first of the month coinciding with or next following the date we approve any required proof of good health. We require proof of good health if a person applies:
 - (a) after thirty-one (31) days from the date he/she first becomes eligible; or
 - (b) after he/she terminated this insurance but he/she remained in a class eligible for this insurance.

Changes in your amount of insurance are effective as shown on the Schedule of Benefits.

If you are not actively at work on the day your insurance is to go into effect, the insurance will go into effect on the day you return to active work for one full day.

TERMINATION OF INSURANCE: Your insurance will terminate on the first of the following to occur:

- (1) the date the Policy terminates; or
- (2) the last day of the Policy month in which you cease to be in a class eligible for this insurance; or
- (3) the end of the period for which premium has been paid for you; or
- (4) the date you enter military service (not including Reserve or National Guard).

CONTINUATION OF INSURANCE: Your insurance may be continued by payment of premium beyond the date you cease to be eligible for this insurance, but not longer than:

- (1) twelve (12) months, if due to illness or injury; or
- (2) one (1) month, if due to temporary lay-off or approved leave of absence.

CONVERSION PRIVILEGE

You can use this privilege when your insurance is no longer in force. It has several parts. They are:

- A. If the insurance ceases due to termination of employment or membership in any of the Policy's classes, an individual Life Insurance Policy may be issued. You are entitled to a policy without disability or supplemental benefits. You must make written application for the policy within thirty-one (31) days after you terminate. The first premium must also be paid within that time. The issuance of the policy is subject to the following conditions:
- (1) The policy will, at your option, be on any one of our forms, except for term life insurance. It will be the standard type issued by us for the age and amount applied for;
 - (2) The policy issued will be for an amount not over what you had before you terminated;
 - (3) The premium due for the policy will be at our usual rate. This rate will be based on the amount of insurance, class of risk and your age at date of policy issue; and
 - (4) Proof of good health is not required.
- B. If the insurance ceases due to the termination or amendment of the Policy, an individual Life Insurance Policy can be issued. You must have been insured for at least five (5) years under the Policy. The same rules as in A above will be used, except that the face amount will be the lesser of:
- (1) The amount of your Group Life benefit under the Policy. This amount will be less any amount you are entitled to under any group life policy issued by us or another insurance company; or
 - (2) \$10,000.
- C. If the insurance reduces, as may be provided in the Policy, an individual Life Insurance Policy can be issued. The same rules as in A above will be used, except that the face amount will not be greater than the amount which ceased due to the reduction.
- D. If you die during the time in which you are entitled to apply for an

individual policy, we will pay the benefit under the Group Policy that you were entitled to convert. This will be done whether or not you applied for the individual policy.

- E. Any policy issued with respect to A, B or C above will be put in force at the end of the thirty-one (31) day period in which application must be made.

BENEFICIARY AND FACILITY OF PAYMENT

BENEFICIARY: The beneficiary will be as named in writing by you to receive benefits at your death. This beneficiary designation must be on file with us or the Plan Administrator and will be effective on the date you sign it. Any payment made by us before receiving the designation shall fully discharge us to the extent of that payment.

If you name more than one beneficiary to share the benefit, you must state the percentage of the benefit that is to be paid to each beneficiary. Otherwise, they will share the benefit equally.

The beneficiary's consent is not needed if you wish to change the designation. His/her consent is also not needed to make any changes in the Policy.

If the beneficiary dies at the same time as you, or within fifteen (15) days after your death but before we received written proof of your death, payment will be made as if you survived the beneficiary, unless noted otherwise.

If you have not named a beneficiary, or the named beneficiary is not surviving at your death, any benefits due shall be paid to the first of the following classes to survive you:

- (1) your legal spouse;
- (2) your surviving children (including legally adopted children), in equal shares;
- (3) your surviving parents, in equal shares;
- (4) your surviving siblings, in equal shares; or, if none of the above,
- (5) your estate.

We will not be liable for any payment we have made in good faith.

FACILITY OF PAYMENT: If a beneficiary, in our opinion, cannot give a valid release (and no guardian has been appointed), we may pay the benefit to the person who has custody or is the main support of the beneficiary. Payment to a minor shall not exceed \$1,000.

If you have not named a beneficiary, or the named beneficiary is not surviving at your death, we may pay up to \$2,000 of the benefit to the person(s) who, in our opinion, have incurred expenses in connection with your last illness, death or burial.

The balance of the benefit, if any, will be held by us, until an individual or representative:

- (1) is validly named; or
- (2) is appointed to receive the proceeds; and
- (3) can give valid release to us.

The benefit will be held with interest at a rate set by us.

We will not be liable for any payment we have made in good faith.

SETTLEMENT OPTIONS

You may elect a different way in which payment of the Amount of Insurance can be made. You must provide a written request to us, for our approval, at our Administrative Office. If the option covers less than the full amount due, we must be advised of what part is to be under an option. Amounts under \$2,000 or option payments of less than \$20.00 each are not eligible.

If no instructions for a settlement option are in effect at your death, the beneficiary may make the election, with our consent.

Settlement Options are described in the Policy.

WAIVER OF PREMIUM IN EVENT OF TOTAL DISABILITY

We will extend the Amount of Insurance during a period of Total Disability for one (1) year if:

- (1) you become totally disabled prior to age 60;
- (2) the Total Disability begins while you are insured;
- (3) the Total Disability begins while the Policy is in force;
- (4) the Total Disability lasts for at least 6 months;
- (5) the premium continues to be paid; and
- (6) we receive proof of Total Disability within one (1) year from the date it began.

After proof of Total Disability is approved by us, neither you or the Policyholder is required to pay premiums. Also, any premiums paid from the start of the Total Disability will be returned.

We will ask you to submit annual proof of continued Total Disability. The Amount of Insurance may then be extended for additional one (1) year periods. You may be required to be examined by a Physician approved by us as part of the proof. We will not require you to be examined more than once a year after the insurance has been extended two (2) full years.

The Amount of Insurance extended will be limited to the amount of basic group life coverage on your life that was in force at the time that Total Disability began excluding any additional benefits. This amount will not increase. This amount will reduce or cease at any time it would reduce or cease if you had not been totally disabled. If you die, we will be liable under this extension only if written proof of death is received by us.

The Amount of Insurance extended for you will cease on the earliest of:

- (1) the date you no longer meet the definition of Total Disability; or
- (2) the date you refuse to be examined; or
- (3) the date you fail to furnish the required proof of Total Disability;
or
- (4) the date you become age 70; or
- (5) the date you retire.

You may use the conversion privilege when this extension ceases. Please refer to the Conversion Privilege section for rules. You are not entitled to conversion if you return to work and are again eligible for the insurance under the Policy. If you use the conversion privilege, benefits

will not be payable under the Waiver of Premium in Event of Total Disability provision unless the converted policy is surrendered to us.

If you qualify for benefits in accordance with the Waiver of Premium in Event of Total Disability provision because you have been diagnosed by a Physician as totally disabled due to the following Condition(s) or Procedure(s), as later defined;

- (1) Life Threatening Cancer; or
- (2) Heart Attack (Myocardial Infarction); or
- (3) Kidney (Renal) Failure; or
- (4) Receipt of Major Organ Transplant; or
- (5) Stroke,

we will pay you an additional, one time, lump sum benefit in an amount equal to 10% of the death benefit under the basic life portion of this Policy up to a maximum of \$100,000.

This lump sum benefit applies only to the first Condition or Procedure to occur among those hereinafter defined which qualifies you for waiver of premium benefits. No further lump sum benefits will be payable under this provision during the same or any subsequent periods of Total Disability, or as a result of the occurrence of any other Condition or Procedure.

Definition(s):

“Condition(s) or Procedure(s)” mean only the following:

“Life Threatening Cancer” means a malignant neoplasm (including hematologic malignancy), as diagnosed by a Physician who is a board certified oncologist, and which is characterized by the uncontrolled growth and spread of malignant cells and the invasion of tissue, and which is not specifically excluded. The following types of cancer are not considered a Life Threatening Cancer: (1) early prostate cancer diagnosed as T2c or less according to the TNM scale; (2) colorectal cancer diagnosed as T2, N1, M0 or less according to the TNM scale; (3) breast cancer diagnosed as T3, N2, M0 or less according to the TNM scale; (4) First Carcinoma in Situ; (5) pre-malignant lesions (such as intraepithelial neoplasia); (6) brain glioma; (7) benign tumors or polyps; (8) tumors in the presence of the Human Immunodeficiency Virus (HIV) or Acquired Immune Deficiency Syndrome (AIDS); or (9) any skin cancer other than invasive malignant melanoma in the dermis or deeper, or skin malignancies that have become Life Threatening Cancers.

“Heart Attack (Myocardial Infarction)” means the death of a segment of the heart muscle as a result of a blockage of one or more coronary arteries. In order to be covered under this provision, the diagnosis by a Physician of Heart Attack (Myocardial Infarction) must be based on:

- (2) a concurrent diagnostic elevation of cardiac enzymes; and
- (3) therapeutic and functional classifications, 3 or above and C or above respectively, according to the New York Heart Association.

“Kidney (Renal) Failure” means the chronic irreversible failure of both of the kidneys (end stage renal disease), which requires treatment with dialysis on a regular basis. Kidney Failure is covered under this provision only if the diagnosis has been made by a Physician who is a board certified nephrologist.

“Physician” means a duly licensed practitioner who is recognized by the law of the jurisdiction in which treatment is received as qualified to treat the type of condition for which claim is made. The Physician may not be you or a member of your immediate family and must be approved by us.

“Receipt of Major Organ Transplant” means that you have been the recipient of a major organ transplant and that there is clinical evidence of major organ(s) failure which, according to the diagnosis of a Physician, required your failing organ(s) or tissue to be replaced with organ(s) or tissue from a suitable donor under generally accepted medical procedures. Organs or tissues covered by this definition are limited to liver, kidney, lung, entire heart, pancreas, or pancreas-kidney.

“Stroke” means a cerebrovascular accident or infarction (death) of brain tissue, as diagnosed by a Physician, which is caused by hemorrhage, embolism, or thrombosis producing measurable, neurological deficit persisting for at least one hundred eighty (180) days following the occurrence of the Stroke. Receipt of this additional lump sum payment may be taxable. You should seek assistance from your own personal tax advisor.

**ACCELERATED BENEFIT RIDER DISCLOSURE
FOR RIDER LRS-8596-001-0690 F**

The Accelerated Benefit option is an advance payment of life insurance proceeds under our group term life insurance program. This option allows the Insured to access the face amount of his insurance coverage prior to death if he is diagnosed as having less than 12 months to live. There are no restrictions placed on how the proceeds may be used.

ELIGIBILITY: The Insured is eligible to exercise the Accelerated Benefit option if, after having been covered under the Rider for at least thirty (30) days (this elimination period does not apply with respect to a condition resulting from an accident), he has been diagnosed as having a medical condition which will result in a drastically limited life-span, and his doctor certifies that death will occur within 12 months. We reserve the right to investigate further to verify eligibility.

THE BENEFIT: The Accelerated Benefit option pays 75% of the Insured's basic term life insurance benefit, to a maximum of \$500,000, in a single lump sum or in installment payments mutually agreed to by us and the Insured. The portion of the death benefit which is not accelerated is payable to the Insured's beneficiary at his death.

There is no additional premium charge for the Accelerated Benefit Rider. There is no reduction in the premium for the group term life insurance coverage if benefits become payable under the Rider.

If the group Policy and/or the Insured's life insurance benefits under the Group Policy terminate, all of the Insured's rights under the Accelerated Benefit Rider also terminate.

EFFECT OF BENEFIT: Receipt of the Accelerated Benefit may be taxable. Therefore, it is recommended that the Insured consult his personal tax advisor for clarification of the current tax law with respect to accelerated death benefits.

BENEFICIARY DESIGNATION MAY NOT APPLY IN THE EVENT OF ANNULMENT OR DIVORCE

Under Virginia law (Virginia Code Section 20-111.1), a revocable beneficiary designation in a policy owned by one spouse that names the other spouse as beneficiary becomes void upon the entry of a decree of annulment or divorce, and the death benefit prevented from passing to a former spouse will be paid as if the former spouse had predeceased the decedent. In the event of annulment or divorce proceedings, and if it is the intent of the parties that the beneficiary designation of the former spouse is to continue, you are advised to make certain that one of the following courses of action is taken prior to the entry of a decree of annulment or divorce: (i) change the beneficiary designation to make it irrevocable; (ii) change the ownership of the policy or contract; (iii) execute a separate written agreement stating the intention of both parties that the beneficiary designation is to remain in effect beyond the date of entry of the decree of annulment or divorce; or (iv) make certain that the decree of annulment or divorce contains a provision stating that the beneficiary designation is not to be revoked pursuant to Section 20-111.1.

TIMING OF NOTIFICATION OF BENEFIT DETERMINATION

Non-Disability Benefit Claims

If a non-disability claim is wholly or partially denied, the claimant shall be notified of the adverse benefit determination within a reasonable period of time, but not later than 90 days after our receipt of the claim, unless it is determined that special circumstances require an extension of time for processing the claim. If it is determined that an extension of time for processing is required, written notice of the extension shall be furnished to the claimant prior to the termination of the initial 90-day period. In no event shall such extension exceed a period of 90 days from the end of such initial period. The extension notice shall indicate the special circumstances requiring an extension of time and the date by which the benefit determination is expected to be rendered.

Calculating time periods. The period of time within which a benefit determination is required to be made shall begin at the time a claim is filed, without regard to whether all the information necessary to make a benefit determination accompanies the filing.

Disability Benefit Claims

In the case of a claim for disability benefits, the claimant shall be notified of the adverse benefit determination within a reasonable period of time, but not later than 45 days after our receipt of the claim. This period may be extended for up to 30 days, provided that it is determined that such an extension is necessary due to matters beyond our control and that notification is provided to the claimant, prior to the expiration of the initial 45-day period, of the circumstances requiring the extension of time and the date by which a decision is expected to be rendered. If, prior to the end of the first 30-day extension period, it is determined that, due to matters beyond our control, a decision cannot be rendered within that extension period, the period for making the determination may be extended for up to an additional 30 days, provided that the claimant is notified, prior to the expiration of the first 30-day extension period, of the circumstances requiring the extension and the date by which a decision is expected to be rendered. In the case of any such extension, the notice of extension shall specifically explain the standards on which entitlement to a benefit is based, the unresolved issues that prevent a decision on the claim, and the additional information needed to resolve those issues, and the claimant shall be afforded at least 45 days within which to provide the specified information.

Calculating time periods. The period of time within which a benefit determination is required to be made shall begin at the time a claim is filed, without regard to whether all the information necessary to make a benefit determination accompanies the filing. In the event that a period of time is extended due to a claimant's failure to submit information necessary to decide a claim, the period for making the benefit determination shall be tolled from the date on which the notification of the extension is sent to the claimant until the date on which the claimant responds to the request for additional information.

The term “us” or “our” refers to Reliance Standard Life Insurance Company.

The term “relevant” means:

A document, record, or other information shall be considered relevant to a claimant’s claim if such document, record or other information:

- Was relied upon in making the benefit determination;
- Was submitted, considered, or generated in the course of making the benefit determination, without regard to whether such document, record or other information was relied upon in making the benefit determination;

ERISA STATEMENT OF RIGHTS

As a participant in the Group Insurance Plan, you may be entitled to certain rights and protections in the event that the Employee Retirement Income Security Act of 1974 (ERISA) applies. ERISA provides that all Plan Participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan Participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefits plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interests of you and other Plan Participants and Beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Reliance Standard Life Insurance Company shall serve as the claims review fiduciary with respect to the insurance policy and the Plan. The claims review fiduciary has the discretionary authority to interpret the Plan and the insurance policy and to determine eligibility for benefits. Decisions by the claims review fiduciary shall be complete, final and binding on all parties.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of the Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Administrator. If you have a claim for benefits which is denied or ignored, in whole or part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in Federal Court. If it should happen that Plan Fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest Office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.
