Winter/Spring

Welcome MBC Students!

Welcome new students, and welcome back to those of you who are returning from winter break. We hope each of you had a wonderful holiday season!

The Career Development Services' staff members, Julie Chappell and Laura Cammaroto, are excited about working with you this spring. Whatever your career plans may be we will be able to offer you excellent services. For example, we can help you locate a summer job or internship; teach you about your abilities and interests; teach you how to write your resume, etc. For seniors, your "post MBC" plans are becoming more important as we approach your commencement. Julie and Laura are available to support you and advise you as you finish your career at MBC. Our Career Development Peer Educators, Chantel Brace and Jessie Porter, are also excellent resources for students.

In addition to these staff members, we will be hosting a JMU graduate student intern this semester, Stephanie Rathburn. Stephanie will be working closely with us as she learns about the career development and counseling processes.

We hope that you will stop by Career Development Services in Kable House and see what the Sena Center has to offer YOU! We enjoy talking with students, new and returning, so please come to see us.

Julie Chappell & Laura Cammaroto
